Red, white and blue theme for the Queen's 90th

On Tuesday the Arrow Belles A Team beat Blackmore 3 games to 1 and this win puts them in the semi finals. **Congratulations** to Liz F, Liz S, Viv and Vena who played on Tuesday and also to Breda and Sue who are also in the team. The semi finals are played on the 17th May so we hope to have some even more fabulous results to report at our meeting. We're all rooting for you, Ladies.

Last month, at our resolutions meeting, Breda was pronounced the winner of the Challenge Cup for 2015/16. Well done, Breda—we loved your boozy trifle!

Hello Belles,

President's Pitch

Thank you for all your contributions to the resolutions debate last month - it was very interesting. And a warm welcome to our new committee members: Colleen, Mary, Breda and Kirsty. This month's meeting is going to include a fascinating talk from Tony Gunton of Essex Wildlife Trust, which I'm really looking forward to. Plus it's our Annual Plant Swap so there will be some exciting additions to a few gardens I suspect! And also our Bird Feeder Challenge Cup - after the What The Dicken's competition the other month, I can't wait to see what you invent! See you there! Love, Jane xxx.

Tripping with the Belles

With places filling fast for our trips, now is the time to book a place for a visit that is planned to the Cinema Museum in London on Thursday, 15th September. This will be an opportunity to view a unique collection of artefacts, memorabilia and equipment that preserves the historical grandeur of cinema from 1890s to the present day.

The museum was in fact the workhouse where Charlie Chaplin went as a child.

Cost for the tour is £7

Please let Marion or Carol know this evening if you are interested.

Please check out our website www.thebrentwoodbelleswi.co.uk and our facebook page for more details about event. There is plenty on offer. We look forward to hearing the newly formed **Chorus Girls** and those of you who have signed up for the **Sewing Bee** should have been notified of the new monthly schedule and venue.

Challenge Cup

We are beginning a new tally of Challenge Cup Points this evening and to be in with a chance of winning the cup next year, you need to enter as many competitions as possible throughout the coming months. We aim to provide a variety of different challenges for you beginning with tonight's challenge which is to design a bird feeder.

Calling all green fingered Belles!
