WI FOR THE MODERN WOMAN

Wednesday 16th March 2016

Don't forget to bring your unwanted costume jewellery!

SINGING OUR HEARTS OUT

In February we were joined by the lovely Ian and Emma who attempted to teach us to sing. And I think you'll agree they were pretty successful! We also saw some amazing green hearts members made to support the Climate Coalition's 2016 campaign. We also welcomed most of our lovely new members. It was a fun and fabulous evening!

THIS MONTH'S CHALLENGE CUP

This month's Challenge Cup is entitled:

“What The Dickens?!”

Do you have a strange unidentifiable item lying around your house? We want you to bring your most unusual household object for us to try and guess what it is. Our lovely actresses will then select their top three favourites!

PRESIDENT'S PITCH

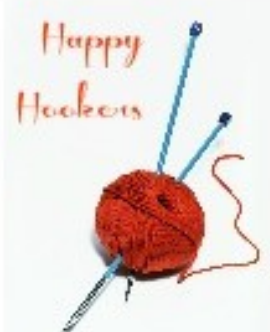

Hello Lovely Belles,
We had a brilliant time in February and I'm really looking forward to March. We will be joined by Three's Company for a fun filled start to the evening, which we'll then follow with our lush costume jewellery swap and our interesting 'What the Dickens?' Challenge Cup competition! Good luck and have fun!
Love, Jane xxx
